Inês Hermínio

◆ ◆ **Full Stack Web Developer**

> I am a Full Stack Web Developer, currently in transition from being a Marketing and Strategic Manager. Recently, I discovered the world of Web Development, which I have been exploring and going in dept since then. I am an analytic, but also creative person, responsible and curious. Most of all, I am highly motivated for this new professional chapter of my life!

Full Stack · Web Dev · New Challenges · Excited
